6.	Peon	1																						
7.	Attendant	2																						

8. Sweeper-cum-Chowkidar 1

The Department of Environment aims to protect the environment in order to promote sustainable development and prevention and control of pollution through :-

1. Eco-regeneration.
2. Environment Education, Awareness Training and Information.
3. Promotion of environmental research and training.
4. Policies & Legislations affecting environment.

The Department is responsible for the coordination of the activities of various departments/agencies and to plan a comprehensive Integrated programme for environment protection and its improvement and also responsible for exercising the administrative control on the Chandigarh Pollution Control Committee, Chandigarh for proper implementation of provisions of various Environment & Pollution Control Acts/Rules. The Department organizes seminar, training, workshops on environmental related issues from time to times besides publishing of documents/information/pamphlets on environment for public use.

Env-1(b) ENVIRONMENTAL EDUCATION, TRAINING & INFORMATION

This is an on going scheme to impart education, training and information about environment.

This will include development of library of the department through addition of books/video films/audio-visual slides, CD/tapes, subscription of Journals/magazines/newspapers/bulletins, membership of societies/institutions/organizations working on environment and related issues, availing/subscribing internet/NIT terminal facilities, purchase of computers and accessories so as to be in touch with latest developments and to equip the library with facilities for keeping records/data.

It will include organizing seminars/workshops/film & audio-visual shows/exhibitions/training programmes/essay, painting, quiz and debate competitions on environment related issues.

It will also include development of public information centre with facilities as TV/Cameras, V.C.R./Projectors/Computer/Multimedia and related accessories to provide first hand information, Printing & publishing of documents/information brochures/pamphlets/posters for distribution.

Env-1(c) INSTITUTIONAL SUPPORT & PUBLIC PARTICIPATION :

The environmental awareness activities/programme shall be undertaken in coordination with the Eco-Clubs/Environment Societies/NGOs whereas department shall provide only technical/financial assistance and resource material while the planning and organization of the activities/programmes/events will be left to the Eco-clubs/Environment Societies itself. The Eco-clubs have been formed in various Govt./Govt. Aided/Recognized/Private Schools and in Navodaya/Kendriya Vidyalayas of U.T. Chandigarh whereas Environment Societies have been formed in various Colleges/Educational institutions. In addition NGOs/Societies registered under Societies Act are also considered under the scheme. The Department will also distribute and provide facilities in way of equipments/publications/books/ teaching-learning aids/films and support financially to organize camps/tours/excursion for creating environmental awareness amongst the students/teachers The Department will conduct regular tours of the School children (Eco-clubs) to the wilderness areas like Botanical Garden, Sukhna Wildlife Sanctuary etc., thrice a week. The Department shall collect and disseminate information among the Eco-Clubs/Environment Societies by developing information brochures and books.

Env-1(d) RESEARCH AND DEVELOPMENT :

The Department serves as nodal agency for environmental planning and coordination in the U.T. of Chandigarh. In order to formulate policies and plans, it is essential to have upto date database. With the growing public awareness and judicial interventions as evinced through public interest litigations, increasing responsibilities have been assigned to the Environment Deptt. to undertake research/data generation activities on the burning environmental issues and local and regional environmental problems.

The scheme will include identification/monitoring/data generation etc. on problems of air, noise pollution, water pollution, vehicular pollution, development/procurement of clean technologies & pilot plants/working models, soil and hazardous waste management, impact assessment of urbanization and industrialization and assessment of flora etc. The scheme shall be implemented through independent and or collaborative studies with reputed institutions or shall be got carried out through reputed institutions. This will include purchase of laboratory equipments/computers and software, expenditure for engagement of consultants/engagement of staff on contract to implement/coordinate projects, visits to

conference and seminars, undertaking trainings and financial assistance to institutions and token provision for carrying out 'Carrying Capacity Study on Chandigarh' and provisions for identification and undertaking environment impact assessment of the hazardous waste site as per the provisions of Hazardous Waste (Management & Handling) Rules, 1989.

Env-2 PROTECTION & CONSERVATION OF RESOURCES :

Chandigarh is situated in the shadow of the ecologically sensitive and geologically unstable shivaliks which form part of fragile Himalayan eco-systems. It is a well planned city of avenues, boulevards, gardens whose urban boundaries are defined by two seasonal rivulets. A Lake was constructed in 1958 which in due course has developed into complex eco-system. The Sukhna Lake as it is called and its adjoining areas have been declared a Wetland and the Lake itself is covered under National- Lake Conservation Plan. The Project includes desiltation of Lake, construction of soil conservation structures, vegetative methods of conserving the soil and afforestation activities in the catchment area as well as creating awareness about the ecology, flora, fauna and upgradation of lake through various programmes.

In addition the scheme will include dry desiltation of Sukhna Lake as well as wet dredging and treatment of catchment viz. soil conservation measures in Sukhna catchment, development of adjoining areas, studies to generate data on physio-chemical and biological parameters, engagement of consultants, ecological regeneration, solid waste management and public awareness and other environmental regeneration projects/activities.

Env-3 ASSISTANCE TO CHANDIGARH POLLUTION CONTROL COMMITTEE :

This is an ongoing scheme. The powers and the functions under the provisions of the Water (Prevention & Control of Pollution) Act, 1974 and the Air (Prevention & Control of Pollution) Act, 1981 has been delegated to Chandigarh Pollution Control Committee by the Central Pollution Control Board. The Chandigarh Pollution Control Committee is to perform various functions for the prevention, control or abatement of pollution. As per provisions of Section 35 of the Water (Prevention & Control of Pollution) Act, 1974, the State Government/U.T. Administration may provide funds to the State Pollution Control Board/Committee as the case may be in each financial year as it may think necessary to enable that Board/Committee to perform its functions under the Act. In the previous years, the Committee has improved its financial position from its own

funds.

Env-4 CONSTRUCTION OF PARYAVARAN BHAWAN:

The Building of Paryavaran Bhawan has been constructed and all the respective departments i.e. Environment, Forests, CPCC and Science and Technology Department have occupied the building for providing the services. The finishing work of half portion of 3rd floor and full portion of 4th floor is being carried out. This space have been allocated Chandigarh Pollution Control Committee, Chandigarh and Forest Department, U.T., Chandigarh, Tourism Department, Deptt. of Rural Development and Panchayat, Le-Corbusier Centre and Local Audit Department, Chandigarh.

Apart from above, the Department of Environment is the Nodal Agency for implementing of number of other projects initiated by Govt. of India, Ministry of Environment, Forests & Climate Change, New Delhi from time to time. The key motive of the schemes implemented by the Department is to create environment education and awareness with the help of Eco-Clubs/Environment Societies, environmental NGOs and other concerned as well as and protection and conservation of natural resources viz. rain water harvesting, vermin-composting, afforestation activities etc. The detail of these projects/schemes is given as under :-

National Green Corps (NGC)

The Department has established 158 Eco-Clubs in various Govt./Govt. Recognized/Private Schools Kendriya/Navodaya Vidyalayas of U.T. Chandigarh under the National Green Corps (NGC) Programme of the Govt. of India, Ministry of Environment, Forests & Climate Change, New Delhi. The Department has established 16 societies in various Govt./Govt. Recognized/Private Colleges of U.T. Chandigarh under the National Green Corps (NGC) Programme of the Govt. of India, Ministry of Environment, Forests & Climate Change, New Delhi. The Eco-Clubs/Societies are carrying out varieties of activities/awareness programmes viz/ rallies, marches, human chains, seminars, debates, lectures, popular talks on environmental issues, tree plantation, campus cleaning, sanitation, rainwater harvesting, solid waste management including vermin composting, etc. to spread the message of Eco-friendly/awakened Society. About 20,000 students of the Chandigarh are participating in this movement.

Preparation of “State of Environment Report” of U.T., Chandigarh

The Department of Environment in collaboration with ENVIS HUB, Chandigarh comes up with “State of Environment Report” after every 4 years. The SoER of U.T., Chandigarh for the year 2004, 2008, 2012, 2014, 2016 has been published. It was decided to publish SoER after every 2 years. The SoER for the year 2018 has been published.

ENVIS HUB, Chandigarh

The Ministry of Environment, Forests & Climate Change, New Delhi has established ENVIS HUB in the year 2002 in the Department of Environment for disseminating environment education/information through its website www.chandigarhenvis.gov.in and www.chenvis.nic.in and perform its various functions like printing of Newsletters quarterly, State of Environment Report of U.T., Chandigarh after every four years. Apart from above, the updated information about environment as well as other matters is also available in the ENVIS HUB in its website.

ANNEXURE-6

PUBLICATION OF INFORMATION REGARDING ITEMS SPECIFIED IN RULE 4(1)b(vi) OF THE RIGHT TO INFORMATION ACT, 2005

(Statement of the categories of documents that are held or under control)

Name of the Department/Board/Corporation/Institution/Office:
